

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matter.

Under section 95, the Tasmanian Government has requested the *Tasmania Tranche 5a Procedure Changes* Rule proposal (Project Ref. ERC0130). The proposal seeks to make amendments to a number of technical and procedural instruments to allow contestability for Tranche 5a customers. The AEMC intends to expedite the Rule proposal under section 96 on the grounds that it considers the proposed Rule is non-controversial, subject to the receipt of written objections.

In relation to the proposal:

- written objections to the decision to treat the proposed Rule as non-controversial must be received by **16 June 2011**;
- submissions on the proposed Rule must be received by **30 June 2011**; and
- written objections may be forwarded to submissions@aemc.gov.au and must cite the Project Ref. in the title.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Objections on this proposal can be forwarded to submissions@aemc.gov.au and must cite the Project Ref. in the title.

Before lodging your submission or objection, you must review the AEMC's privacy collection statement on its website at www.aemc.gov.au. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
