

Notice under National Gas Law

The Australian Energy Market Commission (AEMC) gives notice under the National Gas Law of the following matters.

Under section 303, the AEMC has requested the *Pipeline operator cost recovery processes* Rule proposal (Project Ref. GRC0017). The proposal seeks to amend the rules to improve the efficiency and operation for the recovery of costs incurred by pipeline operators in relation to the market operator service allocation service and bulletin board aggregation and information service. Submissions must be received by **24 January 2013**.

Submissions on this proposal can be lodged online via the AEMC's website at www.aemc.gov.au. Before submitting your submission, you must review the AEMC's privacy statement on its website. Submissions should be submitted in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to confidentiality.

Under section 317, the period of time for the making of the draft Rule determination on the *Pipeline operator cost recovery processes* Rule proposal has been extended to **4 April 2013**.

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
