

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 107, the time for making the draft determination on the *Bidding in Good Faith* proposal has been extended to **16 April 2015**.

Under s 102, the making of the final determination on the *Governance of retail market procedures* proposal.

Under s 95, ElectraNet has requested the *Early Application of STPIS components to transmission businesses* proposal (Ref. ERC0173). The proposal seeks to permit an eligible transmission business to apply to the Australian Energy Regulator to seek early application of the network capability component of version four of the service target performance incentive scheme within the transmission businesses current regulatory control period. Submissions must be received by **28 August 2014**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
