Dear Roger

Congestion Management Review – Proposed Additional Submission

I refer to the letter to the Commission dated 3 November 2006 and signed by representatives of Loy Yang Marketing Management Company Pty. Ltd., AGL Hydro Pty. Ltd., International Power, TRUenergy Pty. Ltd., Flinders Power, Intergen (Australia) Pty. Ltd. and Delta Electricity. In that letter, the group of companies sought an extension to at least 4 December for the time period to make submissions to the Commission's Congestion Management Review.

The Commission will be pleased to receive further submissions in relation to this review on the lines you have foreshadowed. However, the timing of any such submissions will affect the weight which the Commission can give to them in relation to the current stage of this ongoing review.

I would be grateful if you could convey this response to the other companies who signed the letter.

Yours sincerely

John Tamblyn
Chairman
