

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, the AER has requested the *Replacement expenditure planning arrangements* (Ref. ERC0209) proposal. The proposal seeks to increase the transparency of network asset replacement decisions by service providers. Submissions must be received by **24 November 2016**.

Under s 107, the time for making the draft determination on the *Replacement expenditure planning arrangements* (Ref. ERC0209) proposal has been extended to **13 April 2017**.

Under s 99, the making of a draft determination and related draft rule on the *Retailer-distributor credit support requirements* proposal (Ref. ERC0183). Written requests for a pre-determination hearing must be received by **3 November 2016**. Submissions must be received by **22 December 2016**.

Under s 99, the making of a draft determination on the *Improving the accuracy of customer transfers* proposal (Ref. ERC0195). Written requests for a pre-determination hearing must be received by **3 November 2016**. Submissions must be received by **22 December 2016**.

Under s 99, the making of a draft determination on the *Using estimated reads for customer transfers* proposal (Ref. ERC0196). Requests for a pre-determination hearing must be received by **3 November 2016**. Submissions must be received by **22 December 2016**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
