

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under sections 102 and 103,

- the making of the *National Electricity Amendment (Victorian Jurisdictional Derogation (Advanced Metering Infrastructure Roll Out)) Rule 2009 No. 2* and related final determination. All provisions commence on **1 July 2009**; and
- the making of the *National Electricity Amendment (Cost Allocation Arrangements for Transmission Services) Rule 2009 No. 3* and related final determination. All provisions commence on **13 February 2009**.

Under section 99, the making of a draft determination and draft *National Electricity Amendment (Demand Management) Rule 2009* (Project No. ERC0047). In relation to the draft determination:

- requests for a pre-determination hearing must be received by **5 February 2009**; and
- submissions must be received by **13 March 2009**.

Under section 95, Hydro Tasmania has requested the making of the proposed *National Electricity Amendment (Causer Pays for Ancillary Services to Control the Tasmanian Frequency) Rule 2009* (Project No. ERC0082). The proposal seeks to modify the settlement of local frequency control Market Ancillary Services in the Tasmanian jurisdiction of the National Electricity Market. Submissions must be received by **13 March 2009**.

All submissions and requests for a hearing should be forwarded to submissions@aemc.gov.au and must cite the Project No. in its title.

Submissions should be submitted in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Further details on the above matters are available on the AEMC's website www.aemc.gov.au. All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
