

Notice under National Electricity Law

Making of Final Rule

Initiation of Review

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under ss 102 and 103, the making of the *National Electricity Amendment (Semi-scheduled generator dispatch obligations) Rule 2021 No. 2* (Ref. ERC0313) and related final determination. Schedule 1 commences operation on **12 April 2021**. Schedule 2 commences operation on **1 October 2021**, immediately after the commencement of Schedules 1 to 6 of the National Electricity Amendment (Five Minute Settlement) Rule 2017 No. 15. Schedule 3 commences operation on **24 October 2021**, immediately after the commencement of Schedule 5 of the National Electricity Amendment (Wholesale demand response mechanism) Rule 2020 No. 9. Schedule 4 commences operation on **11 March 2021**.

Under s 43, the AEMC gives notice that the Energy Ministers' Meeting has directed it to conduct the *Review of the Gas Supply Guarantee* (Ref. EMO0041). In this review, the AEMC will assess whether a mechanism such as the Gas Supply Guarantee is still required to support the supply of gas during peak demand periods in the NEM. Submissions must be received by **15 April 2021**. The terms of reference for the review are available on the AEMC website.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
