

The below submission has been lodged and confirmed on the AEMC Web site.

Submission Type: Rule Change

Reference: Access, pricing and incentive arrangements for distributed energy resources

Organisation: Private

First Name: [REDACTED]

Last Name: [REDACTED]

Email: [REDACTED]

Phone Number: [REDACTED]

Comments: Dear AEMC

With this innovation Solar feed in article means solar feed in can be controlled so there is no need for a solar tax.

<https://reneweconomy.com.au/south-australia-to-introduce-flexible-export-option-for-rooftop-solar/>

I do not want my name, e-mail address, or phone number published.

Thank you
