

Notice under National Electricity Law

Initiation of Rule Change Requests

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, the Honourable Lily D'Ambrosio MP, Minister for Energy, Environment and Climate Change, Minister for Solar Homes has requested the *Prudent discounts in an adoptive jurisdiction* (Ref. ERC0317) proposal. The proposal seeks to make amendments to the operation of the prudent discount regime in an adoptive jurisdiction. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **22 October 2020**. Submissions must be received by **5 November 2020**.

Under s 95, the Australian Energy Council has requested the *Generator registration thresholds* (Ref. ERC0256) proposal. The proposal seeks to increase the participation of smaller generators in central dispatch and also proposes changes to the Australian Energy Market Operator's process for granting exemptions from being registered as a scheduled or semi-scheduled generator. Submissions must be received by **17 December 2020**.

Under s 95, Mr Damien Vermeer has requested the *Improving connection process for embedded generators* (Ref. ERC0318) proposal. The proposal seeks to minimise uncertainty in the registration and connection process for embedded generators which are intending to be exempt from registration. Submissions must be received by **17 December 2020**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
