

Notice under National Gas Law

Initiation of Non-controversial Rule Change

The Australian Energy Market Commission (AEMC) gives notice under the National Gas Law as follows:

Under s 303, the Australian Energy Market Operator (AEMO) has requested the *DWGM maintenance planning* (Ref. GRC0058) proposal. The proposal seeks to clarify AEMO's existing maintenance coordination function and eliminate inconsistencies between the National Gas Law (NGL) and Part 19 of the National Gas Rules (NGR), which applies to the Victorian Declared Wholesale Gas Market (Victorian DWGM). The AEMC intends to expedite the proposal under s. 304 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **5 November 2020**. Submissions must be received by **19 November 2020**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
