

# Notice under National Electricity Law

## *Notice of rule initiation*

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 95, The Australian Energy Market Operator has requested the *Removal of unaccounted for energy from liable load in the Retailer Reliability Obligation* (Ref. ERC0333) proposal. The proposal seeks to remove unaccounted for energy from the calculation of liable load in the Retailer Reliability Obligation. The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is non-controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **11 November 2021**. Submissions must be received by **25 November 2021**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
